## AWARENESS VS ACCEPTANCE

Neurodiversity is not just a conversation topic! Help build a community that welcomes Autistics into your world, into your and your children's friendships, into your neighborhood gatherings, into your workplace, places of worship, schools and playgrounds!

1

Awareness means you know it exists

Acceptance means you connect personally and learn more

2

Awareness means you can identify it

Acceptance means you talk to people and gain understanding, compassion, and sensitivity

3

Awareness means you know something is happening

Acceptance means you offer help and support without judgement

4

Awareness means you cope with it deal with it tolerate it

Acceptance means you embrace it, grow from it, and build relationships with people who have it not only those who love someone with it!

5

Awareness Is Not Enough

acceptance is the next step towards a truly inclusive and community driven society!
